ABOUT ME

As a recent graduate of the Full-Stack Web Development course at the University of Toronto who specializes in design and CSS, creating appealing and user-friendly interfaces. With expertise in HTML5, CSS3, and responsive design, I craft seamless websites that perform optimally across devices. Leveraging JavaScript and frameworks like React, I implement interactive features for exceptional web applications.

EDUCATION

UNIVERSITY OF TORONTO BOOTCAMP (2023)

Full-Stack Web Development
A rigorous and fast-paced, condensed course offered by edX Bootcamps and the University of Toronto that teaches the practical, technical skills that will enable me to build robust web applications.

TRENT UNIVERSITY (2012-2017)

Ancient Greek & Roman Studies & Archaeology
The study of civilizations in an interdisciplinary fashion, by drawing upon historical, literary, and archaeological evidence.

EXPERIENCE

TORONTO ZOO
HORTICULTURAL TECHNICIAN (2021-2022)

Collaborated with my team to create engaging and sustainable environments for both visitors and animal inhabitants.

SELF-EMPLOYED
CERTIFIED PERSONAL TRAINER (2019-PRESENT)

Conducting one-on-one training sessions in state-of-the-art fitness studio. Adept in creating a warm environment in which clients of all ages can achieve health and wellness goals.

SURMESUR
ASSISTANT MANAGER (2017-2019)

Contributed to employee development, managed staff schedules, merchandised store displays, and ensured a seamless experience for clients seeking high-end, custom garments.

FULFORD PLACE MUSEUM
MUSEUM SUPERVISOR (2013-2016)

Executed historically educational programs, delivered engaging tours, and provided friendly customer service. I also conducted research, and organized filing systems.
